

Oaky Camp Bookings

- Bookings must be made through the nominated person – Pax at present (see contacts page) with James copied in so the website is updated (oakycamp@yahoo.com.au or jamesd.evans@yahoo.com.au).
- Members may make bookings for their family and friends at any time of the year, apart from public holiday and Working Bee weekends
- Working Bee weekends are scheduled outside the busy late Spring/Winter/early Autumn seasons
- Public holiday weekends are for members only (no guests; the only exception is if on the eve of the weekend there are no bookings at all)
- While there is no formal agreement, in practice most members will welcome other members on a weekend they book if there are beds available.
- There is no quota system, however ...
- Where conflicts exist the bookings person (currently Pax) can make a decision at her discretion. Any complaints about this must be addressed, not to her, but to the Chairman (currently David).
